CAMPUS TRESPASSING WARNING — SUSPENDED STUDENT

Date: _____

Dear _____,

In order to help maintain an educational environment that provides for the safety of students and staff, the Palo Verde Unified School District is committed to keeping the schools free from disruptions and to keeping unauthorized persons from entering school grounds. As such, when a student is suspended from school, they are not allowed to be on campus for any reason during the suspension. This letter serves as a reminder that _____ is not allowed on the campuses of the Palo Verde Unified School District for the duration of their suspension.

Penal Code 626.8 states that “any person who comes into any school building or upon any school ground or street, sidewalk, or public way adjacent thereto, without lawful business thereon, and whose presence or acts interfere with the peaceful conduct of the activities of the school or disrupt the school or its pupils or school activities, is guilty of a misdemeanor if he or she does any of the following: remains there after being asked to leave by the chief administrator official of that school or their designated representative or by a person employed as a member of a security or police department of a school district pursuant to Chapter 1 (commencing with Section 3800) of Part 23 of Division 3 of Title 2 of the Education Code, or a city police officer, or sheriff or deputy sheriff, or a Department of the California Highway Patrol peace officer.” What this means is that any person who comes onto campus without reason and does not leave when asked to by an administrator or police officer is guilty of a misdemeanor.

It was reported that on _____, you were asked to leave the campus of _____ by _____ and refused to do so. This letter serves as official notification that if you come back onto any school campus of the Palo Verde Unified School District and you do not leave when asked to do so, you are trespassing and in violation of Penal Code 626.8. School staff will notify the police department and request that you be cited and removed.

The school must insist that disturbances and disruptions not occur while on school grounds. We are notifying you that you are to remain off the campus of _____ for the duration of your suspension, which ends on _____. If you or your parents disagree with the action of the school, you have 24 hours from the receipt of this letter to appeal this decision to the Child Welfare and Attendance Department at 760-922-4884.

Sincerely,

PALO VERDE UNIFIED SCHOOL DISTRICT
